

Ferro Pharma Group serves customers around the globe with EU approved medicine. We operate offices in Hamburg, Germany, Brazil, China, India, Malta and the United States.

WHAT MAKES US SPECIAL

Digitalization and a high level of innovation combined with a start-up mentality are what makes us different. Whenever possible, we prefer cloud-based solutions.

We enjoy the freedom to develop our own ideas into successful projects. And we enjoy working in an international, English-speaking team.

We encourage and support each team member to develop their professional profile and personality - because we really care about the well-being of all our team members!

IT Multi-Talent

We are looking for you to support and expand our digital environment. You will support colleagues in their daily challenges with IT support and fresh ideas how technology can make us faster and more efficient, and you will drive further our digitalization.

EXAMPLES OF WHAT YOU CAN DO FOR US

- identify technology platforms that drive established processes into technology-based processes
- administer, optimize, and support existing system environments (hardware and software)
- analyze and help with sudden challenges in daily business as support center for the team
- work on, expand and drive usage of Salesforce® as platform in our international offices
- be an inspiring sparring partner for the CTO/CIO in the further development of our group

THIS DESCRIBES YOU BEST

- you have completed your master in the field of computer science and you have gained a minimum of three years' work experience
- you have already worked with Salesforce® as a platform technology
- you know your way around in Microsoft client and server operating systems, SQL databases, backups, firewalls and Microsoft 365, ideally for both, MAC and PC
- you have knowledge in virtualization and server hardware
- you are experienced in network technology (VLAN, IP routing, VPN, etc.)
- ideally you like dealing with social media and are interested in social trends, to support our appearance in public
- you are excellent in written and oral communication in English
- other cultures inspire you to create understanding and trust
- you have fun in what you do and you are reliable, flexible and you show a high level of responsibility

WHAT WE CAN DO FOR YOU

- we are a dynamic & highly motivated team, consisting of international team members
- we work from home and from our loft-office at "Schanzenviertel, Hamburg"
- latest equipment, fruits and beverages are constantly made available for free
- we offer the space for you to make your professional dream come true

We are looking forward to your application and promise to contact you within five business days.

Please send your application to Verena at talents@ferropharma.group or +49 151 4140 4386 via WhatsApp. All we need is a CV and a short text on why we urgently need **you**.
